

Mastery Charter School - Shoemaker Campus

Limited Number of 7th & 9th Grade Openings for Fall 2008!

The road to college begins here.

What is Mastery Charter School - Shoemaker Campus?

We are a college preparatory charter middle-high school. In 2008, we will serve 430 students at our beautifully renovated West Philadelphia campus. Mastery Charter School also operates in Center City, South Philadelphia and Germantown.

"At Mastery, I grew as a person because of the challenges I faced everyday. I'm thankful for the small community of teachers and students who were always there to lead me in the right direction."

-Benjamin Lors, Mastery Class of 2007

"Watching them succeed keeps me coming back everyday."

-Greg Leshner, Math Instructor

"Why do we support Mastery? The results are impressive, not only in test scores, but also attendance and college acceptance"

-Gerry Lenfest, Chairman of the Board, The Lenfest Foundation

The Road to College Begins Here.

Limited Number of 7th & 9th Grade Openings for Fall 2008!

Excellence. No Excuses.

Our program is academically rigorous and designed for students that are serious about their academic and professional goals.

Higher Test Scores

Our PSSA and TerraNova scores are consistently well above the average scores for the School District of Philadelphia (including magnet schools).

Greater than 90% College Entrance

Over 90% of Mastery graduates attend college. Last year's graduates received over \$3 million in scholarships.

Safe, Non-Violent Schools

Really. Come for a visit to experience an environment where learning takes place everyday.

Real World Preparation

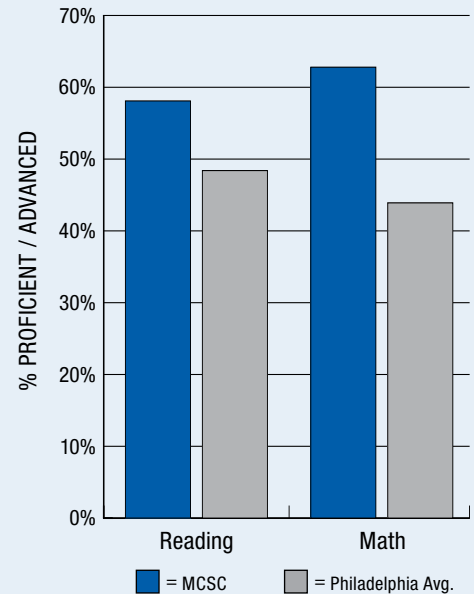

All students take seminars on decision making and workplace skills. These skills are applied in an 18 week internship. Students take college prep and AP courses to prepare them for the rigors of university course work.

Personalized Attention

With an average of 24 students per class and school size of 430 students, everyone is known by name.

2007 PSSA - 8th Grade

Mastery Charter School - Shoemaker Campus (MCSC) students score well above the average Philadelphia public school student!
