

May 12, 2020

Mastery Families,

Thank you for your continued partnership during these challenging times. Please continue to be in touch with your child's school and offer feedback about how we can best support you and your student. I appreciate all you are doing.

### **Technology**

We want to make sure that your student has the computer required to access their online learning. To date, we've distributed 6,500 computers – if you still need a device for your student, please reach out to your child's school.

### **Refer a family today: now enrolling for fall 2020!**

Families – Your word of mouth referrals are the best way for our school to find new students for fall 2020 enrollment! Please share any referrals you have with us [here](#).

Can you please forward this email to any family, friends, or neighbors and ask them to check out the great things happening at Mastery?

Thank you, as always, for your support and partnership.

The graphic features a blue background on the left with a white megaphone icon and a hand holding it. A blue speech bubble contains the text 'Refer A Student!'. Below the megaphone is the Mastery Schools logo. The right side of the graphic has a photo of a smiling young boy in a classroom, with an orange banner overlaid on the bottom. The banner contains the text 'Do you know a family looking for a great school?' followed by a large question mark. Below the banner, the text 'OUR SCHOOL OFFERS:' is followed by two columns of bullet points. At the bottom right, the URL 'bit.ly/MasteryReferral' is displayed.

**Refer A Student!**

**Do you know a family looking for a great school ?**

**OUR SCHOOL OFFERS:**

- Academic excellence in a safe, fun environment
- Loving teachers & leaders
- Individualized attention & support to meet every student's needs
- 1:1 student laptops
- Enrichment & extracurricular activities

### **Celebrations**

Follow your school's social media accounts for a lot of fun content of students, teachers, and leaders doing creative work. Here are some fun examples!

Dean Thomas of Wister Elementary made the rounds to 25 students' homes, delivering certificates and quarantine care packages celebrating young WiSTARS' engagement with their online learning.

Ms. Jenkins at Pickett has been going above and beyond with her virtual engagement during this time and has started a cooking club for her students.

Follow your school's social media accounts for more fun!
